JAPS RETAIN FOOTHOLD ON NEW GEORGIA

Reports From Both Ends Of 750-Mile Arc Emphasizes Character Of Pacific War

SALAMAUA HOLDS OUT

By C. YATES McDANIEL
Allied Headquarters in the Southwest Pacific, Aug. 20.—(P)—Japan's supply line has been cut in the Solomons and sorely strained in New Guinea—the right and left flanks of the Allies' Pacific drive—but the resourceful enemy still has a precarious foothold on New Georgia and clings to Salamaua.

Reports in today's communique from both ends of the 750-mile battle arc emphasize clearly the jungle character of the Pacific war and the determination of the Japanese to make the most of the topography.

The communique told of American jungle troops in the Solomons going after pockets of enemy resistance Thursday on Atolls and islets only a mile or so west of the Munda airfield on New Georgia which was wrested from the Japanese Aug. 5. On Aug. 15, the American occupied Vella Lavella island, 45 miles northwest of Munda, and the communique announced its capture pointedly explained that the Japanese sea supply line to both New Georgia and Kolombangara had been severed.

Despite that, the Japanese have remained on small isles near Munda, even shelling the field, making necessary the liquidation campaign which today's communique disclosed. They also are continuing efforts to sneak in supplies at night to the beleaguered garrison there, reports that PT boats dispersed barges Thursday in the north New Georgia vicinity.

In northeastern New Guinea fighting zone, the communique reported consolidation of American and Australian positions on ridges five miles southwest of Salamaua. That is within three miles of the airdrome, the primary objective.

Some Dads Will Be In October Quota

Washington, Aug. 20.—(P)—War Manpower Commission (WMC) spokesmen today saw "a strong possibility" that the only pre-Pearl Harbor fathers to face induction under the October draft quota of about 312,000 will be those in non-deferrable jobs.

They repeated, however, that there had been no change in plans to begin on Oct. 1 the induction of the pre-war father class—those whose children were born before last Sept. 15.

The officials said they had absolutely no confirmation of rumors that there would be any reduction in the previously announced goal of 10,800,000 men and women in the armed forces by the end of 1943.

Storm of Bombs and Shell-fire Continues to Rock Axis Defenders Across Messina Strait

AWAIT CALL TO ACTION

BY REILMAN MORIN
Allied Headquarters in North Africa, Aug. 20.—(P)—U. S. naval forces have seized the islands of Lipari and Stromboli to control the sea area between Sicily and lower Italy, headquarters announced today, as Allied air and sea power tore great new gaps in Italy's vital railway system.

Stupendous air assaults shattered the industrial and railway city of Foggia, across the peninsula from Naples and 20 miles inland from the Adriatic sea, in one of the heaviest raids of the Mediterranean war. Fortresses, Liberators, Wellingtons and their escorts knocked down 34 enemy fighters in battles there.

Occupation of volcanic Lipari and Stromboli Tuesday morning put the entire Aeolian Island group in Allied hands. Stromboli is only 37 miles from Cape Vaticano on the Italian mainland, and Lipari is 35 miles northwest of Messina in Sicily.

There apparently was no resistance from the Italian garrison, which had been cut off from any large volume of supplies by Allied air and sea power.

British warships teamed with air power in the hammer blows to disrupt Italy's rail system—a key of Italian defense—by pumping tons of shells into Scalo, on the west coast of the Calabrian Peninsula.

Wave upon wave of heavy British and American bombers concentrating upon Foggia struck industrial and communications areas in saturation raids typical of attacks that wrecked very important targets in Sicily.

U. S. Liberators from the middle east joined in the day and night attacks on the city, 160 miles southeast of Rome.

Medium bombers blasted at the Sapi and Salerno, south of Naples, covering railroad yards, and fighter-bombers went after the

King Radios Unbelligerent Talk to Sicily

London, Aug. 20.—(P)—King Vittorio Emanuele told Sicilians in a proclamation broadcast by the Rome radio today that the present isolation of Sicily from the rest of Italy "will not last for long" and he made no mention of continued prosecution of the war.

A later broadcast by Rome radio indicated the king was trying to forestall a separatist movement rather than to imply that peace was in the offing.

(Quoting the newspaper Il Messaggero, it said rumors had reached Italy that the Sicilians were trying to set up their own government; declared that the "present moment separation is a crime against the mother country." Sicilians have long been at best lukewarm toward having mainland Italians as their chiefs of state.)

The broadcast of the unbelligerent proclamation was recorded by the Associated Press radio had accused the Allies of indiscriminately bombing Italian towns and said no official reply had been received by the Badoglio government's recent action in declaring Rome an open city.

Gas Destroyed By Delaware Blast

Milford, Del., Aug. 20.—(P)—Two riverfront explosions and a fire destroyed thousands of gallons of gasoline, wrecked four large storage tanks, a barge, a tug and a building in the industrial section of this southern Delaware town of 5,000 today, injuring two persons, one critically.

The blasts shook homes and buildings throughout the community and hundreds of residents fled into the streets fearing the area had been bombed.

The first explosion occurred while workmen were transferring gasoline from the val to one of the Cox Company, distributors for Sun Oil Company, on the Mispillion river. The second blast followed by a few minutes. The exact cause was not determined.

RAF Strikes Airfields And Rail Targets

London, Aug. 20.—(P)—Fast British Mosquito bombers again attacked targets in Berlin last night while fighters struck at airfields and railway targets on the continent, it was announced today.

The night raids followed blows by Allied planes, including American Flying Fortresses, at four of Germany's most important air bases in Holland and France yesterday. A joint British-American communique disclosed 50 enemy aircraft were shot down yesterday.

Intruders last night attacked railway and airfield targets in France and Belgium.

Vlissingen (Flushing) and Gilze-Rijen in Holland were battered by American Flying Fortresses late yesterday afternoon and 34 enemy fighters were shot down by the big bombers and their escorts of U. S. and American fighters.

The Fortresses accounted for 16 enemy fighters and their escorts knocked down 18, the bulletin declared. Good bombing results were reported on both targets. Four bombers and two fighters were lost in these raids, but the pilot of one was saved.

U. S. Marauders and RAF Blimps earlier in the day had blasted Nazi airfields in France. The American bombers speared the thrusts, with the British planes following with a second pounding of the airfields at Poix.

RAF joined in later and together they knocked down 15 German fighters while the Marauders got one. Six Allied fighters were reported lost.

Delivery Strike On Gotham Papers

New York, Aug. 20.—(P)—The War Labor Board's regional office announced today it had started study of a deliverymen's strike which slowed distribution of today's editions of the New York Times, the Herald-Tribune, Wall Street Journal, Journal of Commerce and 22 foreign language newspapers.

Joseph Simons, president of the Newspaper and Mail Deliverers Union, an independent, asserted the strike was unauthorized. Heads of independent newspaper distributing concerns affected by the strike said it resulted from dissatisfaction among about 150 workers with a recent WLB ruling which allowed them wage increases of \$1 a day.

The strike began last night and at a late hour this morning numerous stands in Manhattan and the Bronx had no copies of the Times or Herald-Tribune. Two other morning papers, the Daily News and Mirror, were unaffected.

Allied War Council Mapping Strategy On Global Scale; May Include Pacific Area

By DOUGLAS B. CORNELL

Quebec, Aug. 20.—(P)—The Quebec war conference, driving forward to advance the zero hour for invasion of the European continent, produced today a strong, official indication that tremendous new operations against Japan also are in the making.

Brenden Bracken, British minister of information, supplied it. He was the first high participant in the war councils to give any inkling of what was going on behind the guarded portals of Quebec's Citadel, where President Roosevelt and Prime Minister Churchill are mapping strategy which may settle the fate of the world.

BULLETIN

Quebec, Aug. 20.—(P)—Secretary of State Cordell Hull arrived at the Quebec war conference today for international political discussions. He was accompanied by James C. Dunn, a political adviser.

"These plans," Bracken told a press conference last night, "are to bomb and burn and ruthlessly destroy, in every way available to us, the people responsible for creating this war."

His words were sufficiently inclusive to embrace not only the foe in Europe but also in Japan, and he underscored them by declaring that "it's all one war."

"I think the war is going very well indeed," the British cabinet member asserted, but it will last a long time and be a very hard war.

"When we have rounded up Mr. Hitler, the whole might of the British Empire will be given over to the task of dealing with the Japanese, who are a ruthless, savage people."

EIGHT MISSING IN BLAST IN KEARNY, N. J.

Mass of Rubble Hides Fate Of Number of Persons Believed Buried in Ruins at Plant

THREE DEAD, TEN HURT

Kearney, N. J., Aug. 20.—(P)—A mass of rubble hid the fate today of at least eight persons believed buried in the ruins of a three-story brick and concrete building at the Congoleum-Nairn, Inc. plant after an explosion and fire which left three dead and 10 others injured, eight critically.

Fire chief Charles Burnett, of Newark said steel shovels would be used in the search of the blackened, smoking heaps of debris.

The blast late yesterday afternoon rocked a 10-mile area in the heart of war-busy northern New Jersey and broke windows in homes and stores within a mile radius of the sprawling linoleum products plant on the banks of the Passaic river.

Fire, which sprouted out from the blasted No. 12 building wrecked two other structures before the flames were brought under control last night.

"The building just blew skyward in a cloud of wreckage and then fell back to the earth in pieces," was one worker's description of the blast.

A spokesman for the company, which is headed by U. S. Senator Albert W. Hawkes (R-N.J.) as chairman of the board of directors, said a check of workers' homes indicated that eight persons were missing but other sources indicated the toll might rise much higher.

Fire Chief Charles Burnett of Newark said steam shovels would be used to dig through the wreckage of the plant and the force of the blast as "more terrific than dynamite."

The public relations officer of the army ordnance department, New York, said, however, the cause of the explosion was not known.

Seventy-five per cent of the plant was engaged in war work, he said, but only one department was affected by the explosion.

Federal Bureau of Investigation agents, army and navy personnel and auxiliary police established a guard around the plant and barred all persons from the grounds.

Disorders In Denmark Are Increasing

By JOHN H. COLBURN

Stockholm, Aug. 20.—(P)—A determined, country-wide campaign of sabotage, apparently aimed at destroying land and sea transport facilities used by the Nazis to supply their forces in Norway, was reported by travelers arriving here from Denmark today.

Danish patriots, the travelers said, are systematically wrecking Danish factories producing German war materials as well as railroads and harbor installations which have become increasingly important to the Germans since they can no longer ship men and supplies across Sweden to Norway.

At the same time representatives of the five major Danish political parties were called into extraordinary session in Copenhagen, apparently to consider changes in the government's policy toward Nazi occupation of Denmark.

Meanwhile disorders were reported mounting, travelers bringing word of clashes between patriots and German soldiers in Odense. They said that a railroad line transporting German war supplies for shipment to Norway had been dynamited at several places between Flensburg, Germany and Aarhus, Denmark.

Soldier Help Requested By Canning Plants

Sixty-five Car-loads of Lancaster Co. Tomatoes Sent to Chicago

SPOILAGE IS FEARED

Camden, N. J., Aug. 20.—(P)—Sixty-five carloads of tomatoes from Lancaster, Pa., were diverted from the Campbell Soup Company's plant here to its Chicago plant today as the company awaited an expected 1,000 soldier volunteers from Fort Dix to help get a bumper crop into processing divisions before spoilage.

A total of 647 trucks piled high with tomatoes were lined up outside the plant and some processing departments remained closed because of an acute shortage of labor. The line crowded slowly and farmers operating the trucks were held up for hours.

A company spokesman said there was no definite assurance that Fort Dix soldiers would help, but negotiations with the commanding officer continued. The spokesman said the company "expected" help, possibly today.

Three hundred men from the fort already are helping in processing work at other southern New Jersey plants, drawing civilian pay for the work in addition to regular army pay.

A request for 1,500 soldier volunteers for the Campbell Company was made by Frank L. McNamee, regional director of the War Manpower Commission with headquarters in Philadelphia. McNamee said he was trying to arrange for additional soldier help from other posts if Fort Dix does not supply the entire need.

During the last two days 563 new workers have reported at the plant but 325 offered only part-time help.

Independent Urges Crude Price Hike

Indianapolis, Aug. 20.—(P)—L. E. Kincannon, independent oil company executive, told a petroleum administration for war panel yesterday "competition as it has been known in this country in the petroleum industry will not continue long unless crude oil is made available to the small refineries."

He appealed for higher crude oil prices which he said would encourage development of new fields and fuller production. "No company in business," he asserted, "wants competition between the smaller companies and the large companies to end."

Kincannon, of Indianapolis, is vice president of the Rock Island Refining Corporation. His remarks were contained in a brief submitted at a conference of oil firm representatives from Indiana, Illinois, Michigan, Ohio, Minnesota and Kentucky.

DIFFICULTIES ENCOUNTERED BY RUSSIANS

Soviets Battle Way Through Forest, Swamps and Across Numerous Small Rivers

2,400 ENEMIES KILLED

BY HENRY C. CASSIDY
Moscow, Aug. 20.—(P)—Difficult going in terrain naturally lending itself to defense was reported slowing down the Red army today as it pressed twin drives on the Nazi bastions of Bryansk and Kharkov.

Front line dispatches to the Soviet army organ Red Star reported that Russian troops on the central front were encountering "considerable difficulties and enormous strain" as they battled their way through forests and swamps and across numerous small rivers toward Bryansk.

The nature of the country, the dispatches said, offered many advantages to the Nazi defenders. On the Kharkov front in the Ukraine, some 240 miles south of Bryansk, Russian troops were said to be encountering stiff resistance in attempts to overcome German defenses based on hills forming a natural line around the city.

Action in this sector was sharpening in the face of mounting German counterattacks, while the Red army air force pounded heavily at bases in the enemy rear in an endeavor to cripple supply routes.

The German air force, meanwhile, was reported striking repeatedly but unsuccessfully at the Soviet communication lines. From dawn to dusk, the Russians said, German bombers accompanied by fighters made thrust after thrust only to be repelled by Soviet airmen.

Russians Stormoviks retaliated with a continuous bombardment of the German positions at Bryansk and further west.

Some 2,400 Germans were wiped out and 30 villages captured as the Red army smashed forward on the west, northwest and southeast sides of Kharkov, a Soviet communique said.

One escape route—to the southwest along the line of the Krasnodar railway—remains open to the defense garrison, but a Pravda dispatch said the German high command had ordered a fight to the death within the city.

Cut In Quota On Seaboard Is Rescinded

Atlanta, Aug. 20.—(P)—A 25 per cent reduction in the August gasoline quota for distributors of 17 eastern seaboard states, imposed August 10, has been rescinded "as of August 19," F. J. Parks, representative of the Office of Petroleum Administration in the southeast, announced today.

At the time the cut was imposed, dealers expressed fear that retailers would not be able to meet normal demands of coupon-holding motorists, but this danger has been removed, Parks said.

The reduction would have reduced distributors' stocks to 75 per cent of the original August quota. The move was considered necessary at the time, Parks said, because of unusually heavy demands of the armed services, "a slowdown in production at the refineries," and transportation difficulties. The refinery slowdown was not due to crippling of facilities by a hurricane in the east, Texas fields, as had been reported, but "was just one of those things," the petroleum administrator's representative asserted.

Retailers during the remainder of August should be able to fill all legitimate demands, he added.

Two Major War Services Are Being Mapped for Boy Scouts

An emergency meeting of Scoutmasters and Troop Committee Chairmen was held Wednesday evening at the local Boy Scout Office to prepare plans for two major war service activities to take place during the next six weeks and to undertake a recruiting plan that will assure every boy, as he reaches his twelfth birthday, of having a personal invitation to join a Boy Scout Troop. H. A. Otterson, Scout Commissioner, presided at the meeting.

The Scouters quickly accepted the request of W. T. Corbett, Warren County Salvage Committee chairman, to establish plans for a house-to-house waste paper pick-up. The date is set for Saturday, August 28th. In spite of the fact that most Troops are not having regular meetings during the month of August, the Boy Scout leaders were confident of their ability to pull their groups together for this campaign, especially since the need for waste paper is so vitally needed in the war effort at this time. The borough of Warren has been divided into sections to be covered by the various Troops. This being a cooperative effort with the Girl Scouts and the Salvation Army, some of the sections will be covered by Boy Scout Troops, others by Girl Scout Troops, and others by the Salvation Army. Further details will be developed and made public as the campaign gathers momentum.

The second war service activity to be planned was in response to an urgent appeal from the Emergency Farm Labor Committee for help in connection with the potato harvest. O. C. Tritt, County Extension Agent (and member of the Warren County Council, Boy Scouts of America) and C. C. Winans, Farm Labor Assistant, presented the problem of help needed in the harvesting of potatoes early this fall, and following a brief discussion and a period in which many questions were asked, the Scout Leaders indicated the extent to which each of their Troops could help, and then each had the opportunity of selecting the farms where they would like to help. The list of farms and the approximate acreage planted in potatoes was prepared and presented to the men so they could have an overall picture of the problem. It is expected that Boy Scout Troops will devote several days, each, to this work during the month of September—as their contribution to the "battle on the home front."

Franklin R. Hoff, representing the Council's Organization and Extension Committee, proposed the establishment of "ARP"—a recruiting plan—aimed to the point of making sure that every boy in the county, on his twelfth birthday, would receive a birthday booklet from the Boy Scouts of America and a personal invitation to join a Troop. In addition to this, the plan calls for a visit to the prospective Scout's parents by a member of the Troop Committee, within the ten day period just prior to the birthday, to explain the purpose of Scouting, to outline the values of Scout Training in the lives of Boys, and to assure the parents' interest in the Troop. Mr. Hoff further indicated that the names and birth dates were on record at the Scout Office and that the plan would be established for operation beginning about the first of September.

The Scouters who were present at the Wednesday evening meeting were: H. A. Otterson, Ralph Delamater, Albert Toner, B. H. White, J. H. West, C. Ray Lewis, Ronald Stover, Franklin Hoff, Walter Dale, Melbourne Karlson, Robert Swanson, C. Vance Weld, Carl R. Barker, Carl Jones, Willard Weatherly, C. C. Winans, O. C. Tritt, and Chester R. Seymour.

Naval Aviation Officer Visits North Warren

Aviation Cadet R. W. Washburn, in Class V-5 of the U. S. Naval Reserve, is home on leave until Monday and may be contacted at his home, 23 Park Avenue, North Warren, concerning the enlistment of 17-year-olds in naval aviation.

He has been detached from the naval aviation cadet selection board at 120 Broadway, New York, and will be assigned to Chapel Hill, N. C., at the completion of his present leave.

He reports that effective immediately the selection board has been authorized by the bureau of naval personnel to enlist a number of qualified 17-year-old applicants. Applications may be submitted either in person or by mail to 120 Broadway, New York, 5, N. Y., or to 1315 Walnut street, Philadelphia, 7, Pa.

Men who have passed their 18th birthday and who wish to fly with the navy may request assignment to the navy quota at the time of induction through selective service. After eight months of active duty in the navy, provided they are recommended by their commanding officer and are found fully qualified, they may request transfer to the naval aviation program, Class V-5.

Distribution Points For New Gas Ration Books Are Listed

After August 31st gasoline dealers will be prohibited from accepting old style "B" and "C" ration coupons. Car owners holding the old style books should have them exchanged between August 23rd and 31st. In Warren borough itself, the exchanges will be made in room 201, Warren-National Bank building. Exchanges in Warren county outside of the borough may be made by leaving ration books at one of the following distribution offices, where they will be forwarded to the Warren board, processed and returned to the distribution office. This will require several days:

Columbus, Clare L. Gordon.
Bear Lake, Ivan L. Hawkins.
Sheffield, Elsa L. Juse.
Youngsville, Wallace R. Lake.
Russell, John A. VanOrdale.
Sugar Grove, Fritz A. Scaonover.

Kinzua, Lynn W. Shipman.
Tidioute, W. C. Tompsett.
Grand Valley, G. W. Whitcomb.
Spring Creek, Donaldson Eric.
So on Monday the 23rd have your tank filled. Take your ration book to the ration board, room 201, or to your distribution officer without delay. The services of a large number of volunteers have been secured to give quick service and every effort will be made to avoid delay and inconvenience.

The exchange will be made on a coupon for coupon basis. Its benefits from the O. P. A. standpoint, will be to render useless any stolen, illegally held, or counterfeit coupons of the old style. Precautions are being taken to prevent the same situation being repeated in the future.

The Warren rationing board has been issuing the new "B" and "C" ration books since August 11th. If your "B" and "C" ration books since carry only the words "military ration" plus a large letter "B" or "C" you are all set to buy gasoline after August 31st. However, if your coupons read "permits de-

livery of one unit of gasoline" you had better attend to having them exchanged early in the week beginning August 23rd, so you will be able to purchase gasoline after August 31st.

Your cooperation in this matter will help reduce the use of illegal gasoline. If all such use could be eliminated, the lifting of the pleasure driving ban will be that much nearer.

If there is a transportation committee in the plant where you are working, take your books to the officer in charge and he will attend to reissuance.

First Evangelical To Have Charge of Outdoor Service

Rev. J. C. Wygant, pastor of the First Evangelical church and president of Warren County Ministerial Association, will be the speaker for the community service to be held at 7:30 p. m. Sunday on Beauty school lawn, weather permitting. Rev. Wygant will speak on the topic "Streets of Gold." Music for the service will be provided by the choir of his church, with Linnea Scott at the piano and the ladies' quartet singing a special selection.

The usual rule of rain after noon on Sunday will transfer this community worship period to the First Lutheran church, East street and Third avenue, and the sponsors extend a cordial welcome to all persons in the community.

Obituary

MRS. J. A. SCHOFIELD

Mrs. Clara Braddock Schofield, widow of Joseph A. Schofield, died suddenly at 4:50 a. m. today at the family home, 406 West Third avenue, of a heart attack. She had been in fairly good health, despite being 82 years of age, and had returned only Monday from a vacation at Chautauqua Institution.

Long one of Warren's prominent clubwomen, Mrs. Schofield had given actively of her time and talents to the Woman's Club and still retained her membership in the Kanawha Chapter, Daughters of the American Colonists. She was formerly a member of General Joseph Warren Chapter, Daughters of the American Revolution, and was also an active figure in musical and civic affairs of the community.

Surviving are three sons: Lemuel B., of Philadelphia; Commander Albert R., of Clearwater, Fla.; and Rev. Joseph A., of Gouverneur, N. Y.; also seven grandchildren and a number of nieces and nephews.

Funeral services have not been completed, pending arrival of the family, but friends may call at the family home at any time.

LEE ETTINGER

Lee Ettinger, 416 Rankin street, died at Warren General Hospital at 5:30 p. m. Thursday, after having been ill since last November. He was born in Mansfield, O., April 5, 1869, and came to Warren at the age of 16 years. After having been employed for many years by the Pisco Company, he entered the employ of Schellhammer and Company. Later, he formed the Warren Plumbing and Heating Company, continuing that business until his retirement in 1942. He was a member of the Maccabees.

Surviving is his wife, Eva Mingle Ettinger, to whom he was married 49 years ago; also one nephew Roy Lynch, of Chicago, Ill.

Funeral services will be held from the family home at 2:30 p. m. Saturday, Dr. H. A. Rinehart officiating and with interment in Oakland cemetery. Friends may call at the Lutz Funeral Home until 10:30 a. m. Saturday.

MRS. MINNIE CLEMENS

Funeral services in memory of Mrs. Minnie Clemens, who died here early yesterday morning, will be held at 10:30 a. m. Saturday at the Lutz Funeral Home, followed by interment in Kinzua cemetery. Mrs. Clemens, aged 78, was the widow of Edwin Clemens and former well known resident of Chandlers Valley. Surviving are a sister and a brother, Mrs. Ben English, of Bradford, and Clara Davidson, of New Huntingdon, W. Va.

JOHN GERMAN

Funeral services in memory of John German will be held at a solemn high mass of requiem at St. Anthony's Catholic church in Sheffield, and interment in St. Joseph's cemetery here.

Personal Paragraphs

Two south side youngsters have been enjoying their "outdoor life" this summer despite war-time restrictions. The porch of the home of F. H. Hetrick, 22 Crescent Park, has been occupied many nights during the past four weeks by their son "Juddy" and Bobby Gibb, who find that a most delightful place to "bunk."

As many Americans are killed by accidents every 12 days of the average day as lost their lives in the Revolutionary War.

SPEAKING OF QUALIFICATIONS

William Simonsen has been so kind as to list some of the qualifications of the two candidates for the office of Warren County Treasurer.

But the list was a little one-sided. He forgot his own!

What are they, Mr. Simonsen? It seems unbelievable that you would present yourself as a candidate if you are ashamed of your past record.

Have you proved yourself to be a man who can successfully handle thousands of dollars?

Have you ever made an outstanding success as a business man?

You mention your past failures as a candidate. What makes you believe the voters have changed their minds? Have you enjoyed any successes of any kind to off-set these failures?

You mention the remuneration received by your opponent for service to the public. How about you? Have you ever enjoyed the benefits of doing insurance business with the Commonwealth of Pennsylvania? It isn't every insurance man who can make such connections. Would you call that a political favor?

Has your entire income always come from legitimate enterprises, Mr. Simonsen?

Would you gladly list every dollar you have earned, and tell how those who paid you financed their business?

The voters should know these things about a candidate. You should start now to satisfy the public, Mr. Simonsen, if you have aspirations for an office as important as the Warren County Treasurer.

W. W. Muir is very willing to publish his record. He is proud of the fact that the voters have thought him so well fitted for public office that they have re-elected him several times. And in addition, he is proud of his years as a business man.

He has enjoyed 20 of these years in Warren. Every motorist knows of the Baird Tire Shop. Every motorist knows about the Blue Sunoco station, at Pennsylvania and Conewango avenues.

These stations are continuing to do business on a curtailed basis, due to the war. And this business will continue for the duration because it is well founded by a capable business man.

A business man who was so highly respected by the House of Representatives that he was made chairman of the banking committee in 1939.

A business man who performed that duty so well that he was appointed to the same office again in 1943.

MR. Muir's business always has been legitimate, and never has his income been dependent in any way on the misfortune or loss of his fellow man.

He is not ashamed of his record. He gladly lists it for the voters to study as an aid to them in making their decision in the coming election.

And he feels confident that it will justify their support, and will yield him sufficient votes to elect him to the very important post of Warren County Treasurer.

Conferences Are Planned By Churches

Youngsville, Aug. 20—August 22 is the last Sunday in the conference year of the United Brethren church and Pastor C. M. McIntyre will bring a communion message and receive new members. Conference sessions will be held next week.

The Free Methodist conference will be held directly after Labor Day and the Methodist conference convenes in Meadville beginning September 8. Mrs. Willis Kinnear is the lay delegate and Mrs. R. L. Mead the alternate.

SOCIAL EVENTS

LANDERS AND DUNHAM RITES IN NORTH WARREN
Miss Betty Dunham, daughter of Mrs. L. B. Monstrom, of Clarendon, and Floyd A. Landers, son of Mrs. Flossie Landers, of North Warren, were united in marriage last evening in the parsonage of the North Warren Presbyterian church by Rev. Cruickshank.

Attendees were Mr. and Mrs. E. Lee Dunham, of Warren, brother and sister-in-law of the bride. Mr. Landers is employed by the Blomquist Furniture Store in North Warren, and Mrs. Landers is a former employee of the Warren State Hospital.

The newlyweds left this morning for a short wedding trip after which they will make their home in Warren.

Kilburn, London, England, has a memorial dedicated to the memory of 783,000 horses killed in World War I.

Meadville Scene Of Rotary Meeting

Replacing a meeting of the entire District 175, representatives of Rotary Clubs of ten northwestern Pennsylvania cities assembled on Wednesday in Meadville at the Lafayette Hotel for an annual day conference. Presidents and secretaries of Rotary clubs of Cambridge Springs, Edinboro, Erie, Greenville, Oil City, Titusville, Sheffield, Westfield and Corry attended.

The presiding officer was District Governor Allan J. Scilly, of Sheffield, and included in the day's program was a discussion of "International Service" by a Meadville Rotarian, George Hamilton, who told of Rotary activity in promoting international understanding. In a similar vein, Dr. Elmer Hess, of the Erie club, discussed "Rotary Serving in War and Peace." Arthur M. Turner, of Oil City, focused his topic on juvenile delinquency prevention. The meeting also included talks by district officers.

POLICE NEWS

A variety of activities kept members of the police department busy Thursday afternoon and night. Two youths 17 and 18 years of age, who broke windows in a west side apartment a couple weeks ago and forgot that they had promised to settle for the damage, were interviewed last evening and warned to see that repairs are made and paid for.

A south side resident complained of a barking dog and the owner was notified to quiet the animal.

A man who had been imbibing too freely, and was using the running board of an automobile in

was removed to the station and later called upon to settle for his lodging.

The owner of an automobile discovered by pedestrians dripping gasoline, while parked in Liberty street, was located and advised to have the damage repaired before more serious trouble occurred.

A resident of the vicinity of Oakview Park reported a bicycle abandoned in a tool house on his property two weeks ago was still there. The matter was referred to Deputy Sheriff Linder after the owner had been identified by the license tag. It had been reported stolen at the time and was returned to the owner, Willis Johnston, West street.

GETS DECORATION
Lt. Emerson Baxter, son of Mr. and Mrs. Harry Baxter, West street, is another one of the American boys participating in the cross-the-channel bombing missions to receive the coveted Oak Leaf Cluster to add to his flying medal. According to latest advice from him, the decoration was received August 4.

Blood Plasma to War in Pulpwood

THESE BLOOD PLASMA CASES of weather-proof paper board made from pulpwood, shown being delivered by Red Cross workers to a U. S. Navy medical officer, are going to war aboard a battleship. The large cases contain blood donations from twelve Americans; each bottle of blood plasma is in a separate carton, also made from pulpwood, and with it a pint of distilled water. The plasma and water are mixed to make fluid which is saving the lives of our wounded soldiers. Because of the growing shortage, the Government urges farmers and woodsmen to cut more pulpwood—for Victory!

Mobile Unit Entertained At Brookside

Members of the Red Cross Mobile Unit from Buffalo were entertained Tuesday night at the cottage of Mrs. Ed Beck. Mrs. Beck, who is chairman of nurses giving volunteer service at all visits of the Blood Bank to Warren, also had as guests members of the Nurses Aids, the Canteen Committee and members of the local Blood Bank Committee.

Over 40 persons enjoyed a substantial picnic supper and an evening's outing as the result of Mrs. Beck's interest and hospitality. The supper menu was arranged and prepared by Delbert Lewis of the Lewis Market. Mr. Lewis donated the supper to the committee as a token of his interest and appreciation of the work the committee and the large number of volunteer workers is doing for the important phase of the war effort.

Members of the committee and other guests present enjoyed a pleasant evening on the Allegheny River. The out of town guests were especially appreciative of the kindness shown them by Mrs. Beck and her group of co-workers.

Purple Heart Award Given To Lander Boy

Information has been received here that Staff Sergeant Donald A. Lyon, formerly of Lander and son of Mrs. Mildred Rowland Lyon of that place, has been honored with award of the Order of the Purple Heart, one of the most distinguished citations given by the War Department.

Sgt. Lyon was honored with the decoration for outstanding bravery and for wounds received in the North African theatre of war on March 28, 1943, while engaged in an encounter with an enemy sniper.

He arrived in the United States a short time later and since then has been hospitalized at the Hallock Hospital on Staten Island and the Tilton General Hospital at Fort Dix, N. J.

Sgt. Lyon, a graduate of the Lander High School, enlisted in the United States Army in June, 1941, and was stationed for three years in the Panama Canal Zone. After that he was stationed at Plattsburg Barracks, N. Y., and since has been attached to the First Division at Fort Devens, Mass. He has also been on maneuvers over much of the United States during that time, and previous to being wounded last spring, served overseas for a year.

Sgt. Lyon is the first Farmington Township serviceman to be decorated with a citation of the Order of the Purple Heart.

BIRTHS

**Late Afternoon Ceremony to Unite
Ensign June DeFrees-Raymond Heelan**

At four o'clock this afternoon in the First Presbyterian church, June Isabel Rogers DeFrees, ensign in the women's division of the U. S. Naval Reserve at Hunter College in The Bronx, will become the bride of Raymond Vincent Heelan, son of John J. Heelan and the late Mrs. Heelan, of Chicago, Ill., and member of the intelligence section of the Army Air Forces in New York.

Daughter of the late Joseph Hutton and Anne Stone DeFrees, of Warren, the bride is a descendant of several of northwestern Pennsylvania's oldest families. Her grandfather, Charles Warren Stone, served as congressman from this district and as lieutenant governor of Pennsylvania. Her grandmother, Elizabeth Moorhead Stone, descended from one of Erie's earliest merchandising families. Ancestors in the Rogers family represented the first lumbering interests in the Allegheny Valley.

Dr. H. C. Warren will perform the ceremony before a background of white gladioli and tall white tapers and George W. Lott will be at the console for a recital and the traditional wedding music.

The bride will be given in marriage by her uncle, John L. Stone, and will have as her maid of honor her sister, Miss Anne DeFrees. She has chosen a basque model of ivory satin with brevette lace trim, a long veil caught to a net cap with orange blossoms and falling beyond the gown's train. Her shower bouquet will be of white gardenias, bouvardia and stephanotis and, for something old, she will have the handkerchief carried by her mother for her wedding in 1902. Her sister's floor length frock will be of aqua crepe with contrast provided in sandals, a small veiled hat and bouquet of buddleia in a woods violet shade.

Edward B. Ott, of Lansdowne, will be Mr. Heelan's best man and ushers will be J. Franklin Hunter, Cleveland, O.; William A. Elpper, Jr., of Narberth; Joseph H. DeFrees and Charles W. S. DeFrees, brothers of the bride.

Guests will be greeted at the rear of the church and a reception will follow at the Woman's Club. Appointments will be entirely in white, with gladioli and candles for the bride's table of 28 places and a wedding bell topping the bride's cake. Mr. Lott will provide incidental music.

The guest list will include the following from out of town: Mr. and Mrs. Ott, Lansdowne; Mr. and Mrs. Hunter, Cleveland; Mr. and Mrs. Elpper, Narberth; Mrs. Edward Carvill, New York City; Miss Ethel Clement, Villanova; Mr. and Mrs. E. Donald MacKenzie, Corry; Mr. and Mrs. Frederick Stebbins, Rochester, N. Y.; Miss Barbara Baldwin, Jamestown, N. Y.; Mrs. Frederick Ingram, Beaver Falls; Mrs. Bruce McKinney and Mrs. Alexander N. Warner, Titusville; Mrs. Richard Young, Radnor; Mr. and Mrs. Jerome Smith, New Orleans, La.

An eastern wedding trip will return the couple to New York, to be at home after September 1.

Mrs. Heelan will continue her duties as liaison officer in the WAVES School at Hunter College, where she has been since receiving her commission on February 9 of this year. Graduate of the local high school in 1932, she attended University of Pennsylvania and the Pennsylvania Academy of Fine Arts in Philadelphia and served on the staff at Wanamaker's until her induction in August, 1942. Her first training assignment was to the WAVE School at Mt. Holyoke.

Since arriving home from New York she has been honored by Mrs. George L. Craft, with a tea on Monday; Mrs. Joan Hoye, with luncheon at the Country Club

VARIETY SHOWER
Sugar Grove, Aug. 20—Miss Mary Andersen, who is to be married to Lt. Lloyd Porter this evening, was honored guest for a variety shower and luncheon given Wednesday at the home of Mrs. Bess Beedle, with Mrs. Ralph Beedle assisting. Members of the Valley Grove Club, relatives and friends were guests. Luncheon, with places for 35, was served from small tables appointed in red, white and blue and made more attractive with nosegays of fresh flowers.

The afternoon was devoted to games, with prizes going to Mrs. D. H. Haggerty, Mrs. Willard Munson and Mrs. Scott Stuart, Jr. The guest of honor was the recipient of many beautiful gifts from those present from Warren, Jamestown, Chancellers Valley and Sugar Grove.

SHOWER PARTY
A delightful shower party was given at the home of Miss Nellie Barkman in Jamestown, N. Y., to honor Miss Edna Mae Swanson, soon to become the bride of Ralph E. Sandburg. Games were enjoyed and prizes awarded the winners. After a pleasant social time, refreshments were served from a table attractively decorated in pink and white.

The bride-to-be was showered with many gifts for her future home. Guests included Mrs. Henry Swanson, Mrs. Robert E. Sandburg, Warren; Mrs. Vernon Barkman, Mayville, N. Y.

**Concert on Chimes
Is Planned Sunday**

George W. Lott, here from the east to spend some time in Warren, has graciously consented to give a concert on the Hinkley Memorial Chimes in First Methodist church, bell ringing being one of his hobbies.

The concert is to be given at seven o'clock Sunday evening, August 22.

While in the Eastman School of Music from 1934 to 1938, Mr. Lott rang the chimes in the Third Presbyterian church of Rochester. He is associated with Kamel LeFevre, the carillonneur of the Riverside church in New York.

William L. Durkin, Oil City youth who holds the rating of master technical sergeant in the Marine Corps, has been commended for bravery exhibited during a Japanese bombing attack, according to advices from the War Department. Durkin, on duty at Henderson Field on Guadalcanal, extinguished fire in a plane struck by a Japanese incendiary, despite the fact that the plane was loaded with a 1,000-pound bomb on the plane and threatened by the blaze.

Happy With 'Wrong' Baby

Mrs. James Hardwig looks mighty motherly as she grips a safety pin between her teeth and fastens another in those triangular trousers. She's giving the pinned-up girl loving care even though she believes she gave birth to a boy at a Los Angeles hospital. Footprints being blurred, the question remains unsettled.

—SUNDAY SERVICES IN WARREN CHURCHES—

CHURCH NOTES

Pastor Carl Gronquist, vacationing from Sheffield and Ludlow Lutheran parishes, announces the guest speaker at the 11 a. m. Sunday worship at Moriah church will be Rev. Robert E. Olson, of Coatesville. Only meeting scheduled for the coming week at Ludlow is that of the Luther League at 8 p. m. Friday. At Bethany church in Sheffield, Sunday school teachers and officers will have a meeting at 8 p. m. Thursday.

There will be no morning church service in the First Presbyterian church during the remaining Sundays in August, it is announced. Church school will meet at the usual time, with Harold Hampson teaching the combined adult groups this Sunday morning and Mrs. Gerda DeForest as instructor on August 29.

Sugar Grove Mission Covenant church, which will be celebrating its 60th anniversary in October, is a newcomer to the Times-Mirror church column today, along with Scandia Mission, which is also under the charge of Rev. K. A. Berlin. At the former church, a sacred song festival is planned for 8:15 p. m. on Sunday, when the choir will give a special presentation under the direction of Everett Landin.

Rev. Ethan Leslie, supply pastor in the local Church of the United Brethren since the resignation of Rev. W. G. Woodward, will occupy the pulpit for the last time Sunday prior to going to the annual session of the Erie Conference at Findley Lake, N. Y., when pastoral assignments for the coming year will be made. Rev. Leslie will administer Holy Communion at his last morning worship period at 11 o'clock Sunday.

Overnite Hike Is Planned For YMCA Boys

The summer schedule comes to
an end tonight at the local Y. M.
C. A. when a group of the young-
er members will hike to Camp
Jefferson in North Warren to enjoy
an overnight hike.

Quite a bit of enthusiasm has
been shown by this younger group
in connection with the hike.
Those who are going, are to
take three blankets, food for Fri-
day night supper and Saturday
mornings breakfast, and the cook-
ing utensils to cook it if neces-
sary.

This summers program has been
one of the most successful con-
ducted at the local "Y" in some
time. The features were varied
and consisted of things to please
the majority. This is born out in
the number of boys that partici-
pated. Summer schedule will con-
tinue in the Physical Department
until school starts, when another
will replace it and will be announ-
ced at that time.

Youngsville Club Enjoys Picnic Dinner

Youngsville, Aug. 19—The last
of the summer outing-meetings of
Business and Professional Women's
Club was held on Island Park
Monday evening, where a fine
seven o'clock co-operative dinner
was enjoyed.

An informal session was held
following the dinner at which time
the president, Miss Golda Hill,
read portions of a recent letter
from Sub-Commander Dorothy
Wirt of the Woman's Army Corps
who is continuing her membership
in the local club. She is now lo-
cated at Poughkeepsie, N. Y., and
very busy with responsibilities and
duties.

Mrs. R. L. Mead thanked the
club for its work in making the
recent drive for War Bonds go
over so successfully. Mrs. Mead
was chairman of the activities of
Molly Pitcher Day when Youngs-
ville came to the front in bond
selling. The "Doodads" of which
there is now a large quantity at
the box for deposit at the Ander-
son Store, will be sent away this
week.

The September meeting is be-
ing planned. It will probably be
held at the Forge Club House and
at this time the program for the
year will be announced.

ANNOUNCE PICNIC
The volunteer fire company
auxiliary firemen and families will
picnic on Island Park Sunday at
5 p. m. Meat, coffee, sugar and
cream will be furnished and guests
are asked to bring a family basket
picnic lunch.

BRIEFS
Mrs. H. S. Canfield returned
Monday after spending a week
with relatives in Pittsburgh. She
was accompanied home by Mrs.
D. T. Zahniser.
Charles Newton and grand-

daughter, Miss Ethel Warren, of
Painesville, O., were weekend guests
of Mr. and Mrs. V. D. Smith and
Mr. and Mrs. Floyd Conklin.

Friends were glad this week to
greet David Clark, who is pro-
gressing well in the Air Corps and
was a guest of his aunt, Miss Ruby
Babcock.

Methodist men are meeting
Thursday evening at six o'clock
in the church from where they
will leave for an evening's outing
at the Gurney Ball camp.

Rev. and Mrs. Dwight Jack will
be in attendance the week of Sep-
tember 8th for the annual Method-
ist conference at Mendville. Mrs.
Willis Kinnear is delegate from
the local church, with Mrs. R. L. Mead
alternate.

Clifford Lindberg was calling on
friends in town Sunday. He has

recently been honorably discharg-
ed from the army owing to injur-
ies in one of his legs which he re-
ceived in high school days. He is
now employed in defense work in
Corry.

Nat. Norman, who is ill with
pneumonia in Harrisburg is re-
ported getting along well now.
Mrs. Norman has been with him.

THE LONG NIGHT
By Eleanor Atterbury

Chapter 8
AS Bette ran toward the flam-
ing wreckage, she was
aware of others running, too. Of
shouted commands. The roar of a
Jeep's engine just behind her.

But no one could do anything
to stop those relentless flames.
The tremendous heat held the
ground crew at bay.

"Do something! Can't you do
something?" Bette heard her
own voice beseeching.

One of the mechanics shook
his head grimly. "Can't. God
knows I wish we could."

"But—how did it happen?
How could it happen?"

"Accident! Static" electricity
igniting vapors, maybe. Can't tell
till we can get in there." He
looked back at the wreckage.

"Maybe not even then."
"And—the men?"
The man's eyes met hers and
the look there belied his casual,
"That's war, man."

Bette nodded, tried but she
couldn't find strength to ask the
one question she must have an-
swered. Scott? Was there any
chance that he—

Then Sue was standing beside
her, her lovely face white and
drawn. "Thank God Scott wasn't
in that one," she said hoarsely.</

QUALITY REMAINS UNCHANGED IN BARTSCH'S FINE FURNITURE FOR EVERY ROOM IN THE HOUSE!

If you really need FURNITURE for your home or any one room or corner, its good to know that BARTSCH'S high standards of beauty and lasting quality are still the same. In our Livingroom Furniture, the frames, fabrics have not changed one iota. Many prices (manufactured before last November) have springs. Those without are cleverly constructed for posture-fitting comfort. Our Bedroom Furniture has passed the same quality tests as always. The only change is the bedding, you buy sturdy coil springs or box springs and layer felt mattresses instead of innerspring mattresses. But again, it's if you need Furniture! War Bonds and Stamps Come First.

Small Towners Learn to Swim!

Happy is the small town that has provided such swimming facilities as shown above for its boys and girls—and older folks, too. Here is a photo of a swimming pool erected by a small Lycoming county town for the pleasure of its residents.

Allied War Council Mapping Strategy On Global Scale

(From Page One)

"We will not lay down our arms
until we have completely conquer-
ed Japan. The war won't be over
until Japan has reaped the prize
of her treachery."

Bracken said the time will come
when "Hitler and Tojo and their
tribe of gangsters" will get the
news from the generals, admirals
and air marshals who command
"ferce fighting forces."

And, he added, passing a bouquet
to score of newsmen from many
lands, it will be well reported in
the press in the "best reported
war in history."

There were official indications that
the war parleys here would
continue at least over the week-
end. The arrival tomorrow of Cor-
dell Hull, American secretary of
state, will complete the list of high
officials present.

TIMES TOPICS

REUNION CANCELLED
The Putnam reunion will not be held this year because of the transportation situation, according to announcement by the officials.

IS LIAISON OFFICER
Pvt. Leslie G. Forbes, of the local Pennsylvania State Police unit, has been named liaison officer to the staff of the Warren control center for duty in case of day-light alerts and blackouts.

YOUNG PEOPLE INVITED
All boys and girls, young men and women of the community are invited to turn out for the dancing party to be held at 8:30 p. m. Saturday in the YWCA activities building by the Presbyterian Activities Club.

MAKE APPLICATION
Register and Recorder O. E. Loper received an application for a marriage license today from Beverly Burtis Bond, manager of the Sangamon Ordnance plant at Illinois, Ill., and Edna M. Hamilton, of North Warren.

BOWLERS TO ORGANIZE
A meeting of the Knights of Columbus Bowling League will be held next Tuesday evening, August 24, in the social rooms of the K. of C. on Pennsylvania avenue west. At this time plans will be formulated for the 1943-44 bowling season, and those in charge request all old bowlers and any others who are interested in the game to be on hand at 8:30 that evening.

ORDERED TO DUTY
Dr. Earle W. Myers, whose dental office is located at 207 Pennsylvania avenue, east, has been ordered to active duty as first lieutenant in the dental corps of the Army Air Forces and will report August 27 to Carlisle Barracks. After six weeks instruction there, he will be transferred to Drew Field at Tampa, Fla. His family will remain at 907 Conewango avenue for the present.

RELIEF PAYMENTS
State Treasurer G. Harold Wagner reported that direct relief payments made to needy residents of Warren county during the week ended today show a decrease of \$6 from those of the previous week. Payments for the week totaled \$72, which was \$59 lower than those of the comparable week of last year.

CAN USE SURPLUSES
Victory gardeners who may by chance have had a greater yield from their plots than had been anticipated and find surpluses on their hands are given a new slant on contributing to the all-out war effort in the suggestion that such fresh produce be presented to Warren General Hospital. Equipment and help is available there to handle such gifts, it is stated, and the contributions will assist materially in the task of balancing needs and ration points.

FIELD OFFICER COMING
A representative of the Erie field office of the Social Security Board which serves this area, will be at the Employment Service Office, 225 Pa. Ave., West, on Monday, at 1:30 p. m., it was announced by George W. Ervin, manager. Mr. Ervin also announces the change in the hours of itinerant service for Warren. Heretofore, a representative from the Erie office has been in the United States Employment Service Office at 10 a. m. on the second and fourth Monday of each month. Beginning with August 23 the hour will be 1:30 p. m. The day on which the visits will be made will remain the same. This change is caused by the curtailment of bus schedules.

Personal Paragraphs

Mr. and Mrs. L. Pasquino and son, Ralph, and daughter, Carolyn Marie, are leaving for an 11-day vacation in Peekskill, N. Y., the guests of Mr. Pasquino's sister, Mrs. E. M. Pelais, and family.

Mrs. James M. Kane and son, Joseph, of Ashtabula, O., have arrived to be guests at the home of Dr. and Mrs. Robert Gerrety, North Warren.
